

Earn more from the content you already make.

You make the videos. We track the money, find you a bigger audience, and launch new product lines from what your fans already love. **You keep what you earn today. We split what's new, 50/50.**

The ask.

FOUR STEPS TO START

1 Send us your links. Your channel, store, or site. We send back a written plan, free.	2 Give us access. Editor or admin on your channels and store. Read-only on payouts.	3 Keep making it. Same content, at your usual pace. Creative control stays yours.	4 Sign one agreement. 50/50 on the new revenue we build together. Nothing upfront.
